

Dear Parent/Guardian,

One of the biggest changes to UK data protection law comes into effect on 25th May 2018: The General Data Protection Regulation, or "GDPR".

At Newton Longville Preschool and Extended Services, we have always been, and will continue to be, committed to protecting personal data. The GDPR helps to ensure that personal data is appropriately protected and gives individuals more control over how their personal data is being used.

We have issued a Parent Privacy Notice to reflect this, which provides information about how and why we use personal data about you and your child/ren and explains your rights over that data.

This document and other relevant information and policies are available to view on our website www.newtonlongvillepreschool.com/policiesandforms. Any updates will be published there and we will also notify you of any changes via letter.

We also now require permissions in order for the setting to display your child/ren's name, art work and photos around the premises, and for us to share extended services (Kidspace) registers with Newton Longville School. Please will you complete the permission slip below and return it to us at your earliest convenience.

If you have any questions, please contact our Data Protection Officer, Emma Young, via email at manager.newtonlongvillepreschool@btconnect.com.

Yours Sincerely

E. Young

Emma Young
Business Manager and Setting Coordinator

Child/ren's names: _____

I/We consent to Newton Longville Preschool and Extended Services (Kidspace):

- Displaying my child/ren's name, their photograph/image (and those of their families) and their artwork around the premises.
- Using my child/ren's name for learning purposes.
- Using photographs/images of my child(ren)'s creations and artwork on our website and social media.
- Sharing my child/ren's name as part of the Extended Services register with Newton Longville School.
